# BEFORE

- Pick the colour of your feeling from the centre then find exact feeling in finer detail in the outer circle. Note it down.

# PREPARE PEN AND PAPER

In the next 10 minutes, let's have some fun and let your thoughts flow freely onto paper! Write down whatever comes to your mind—no rules about language, topic, or time. **This is just for you**, and you won't be sharing it with anyone, so feel free to let your creativity run wild.

The only rule? **Don't stop writing!** Even if your mind feels blank, keep writing about 'nothing' until ideas start to pour out. Stay focused, no talking, and let's enjoy this freeing exercise together!

AFTER

- Now again, pick the colour of your feeling from the centre then find exact feeling in finer detail in the outer circle. Now compare how writing has changed your mood!
